# Why Providence Fitness Service?

10 YEARS OF EXPERIENCE MAINTAINING AND REPAIRING FITNESS EQUIPMENT

Providence Fitness is a dependable and trusted source for fitness clubs, medical facilities and companies throughout the area.

We are experts in all equipment categories, from treadmills and elliptical trainers to spinning bikes and weight equipment. We can prolong the life of older equipment, and ensure that you're getting the most out of the latest fitness technologies.

E X P E R I E N C E

## ...ensuring you get the most out of your equipment

### SCHEDULED MAINTENANCE KEEPS YOUR FACILITY GOING STRONG

Setting up a maintenance program allows you to ensure peak performance from your investment, as well as enabling you to fix small problems before they become costlier ones. Regularly scheduled maintenance also means that there's far less chance of equipment breaking, especially during peak periods of use. That not only makes members and other equipment users happier, it makes them safer as well.

### IF YOUR CARDIO EQUIPMENT SHOULD BREAK, WE'LL BE THERE IN A HEARTBEAT.

Or if any other kind of equipment should break, for that matter. Our response times are extremely fast, and we stock replacement parts for many of the most popular equipment brands, so you won't have to wait for days or weeks for your equipment to get back into service.

### EXPERT SERVICE

We expertly service fitness equipment made by the following manufacturers:

- Schwinn
- Nautilus
- LeMond Fitness
- Landice
- Vision
- Horizon
- Keys
- Woodway
- SportsArt
- Stairmaster
- Precor
- Cybex
- Life Fitness
- and many more
